BRICKS
PROPTECH INNOVATION

BE PART OF SOMETHING BIG!

THE LEADING INNOVATION CENTER FOCUSED ON INNOVATIVE TECHNOLOGIES IN THE REAL ESTATE SECTOR

WHO WE ARE

BRICKS serves as the innovation arm for the most influential owners, developers and operators of real estate worldwide including Israel, the US, the UK and Asia in order to give them access to leading and emerging Real Estate and Proptech technologies.

These industry-leading companies are looking to be part of the Proptech scene, identify and grow game-changing technologies in order to help them be efficient, save costs and lead the new real estate era.

Bricks is run by a team of highly successful Tech & Real Estate professionals and is backed by strong pillars of mentors & industry experts, further supporting the growth and scaling of its portfolio companies.

At Bricks our partners gain market opportunities and are provided with early insights into the start-ups' cutting-edge technologies ahead of their competitors.
