PATINCE
FAMILY WELLNESS HOTEL & MARINA

OUR PHILOSOPHY

Most people would love to get away from their fast and stressful lives and enjoy harmony and peace. They long for a holiday packed with relaxation – for the body, soul and mind. Patince Wellness Hotel**** is an oasis of peace and harmony where you can switch off and forget about your worries. Our main aim is to make sure our guests are fully satisfied. We offer services prepared by experts and a personal approach to each client based on your individual wishes. This makes your stay in Patince Wellness Hotel**** a relaxing experience.

ACCOMMODATION

Our four-star hotel can accommodate up to 250 people. Enjoy a pleasant stay in one of our spacious and comfortable double rooms with air conditioning, balcony, minibar, TV and safe. Demanding clients can opt for superior rooms for two or four persons or a six-bed maisonette suite which is the finest sample of our hotel accommodation. Families can book maisonette family rooms with four beds and a balcony. Free Wi-Fi is available in all rooms and in all hotel's common areas

Two bowling alleys, billiards, darts and table football are available for active relaxation.

Pool and Sauna World

PATINCE
FAMILY WELLNESS HOTEL & MARINA

POOL WORLD

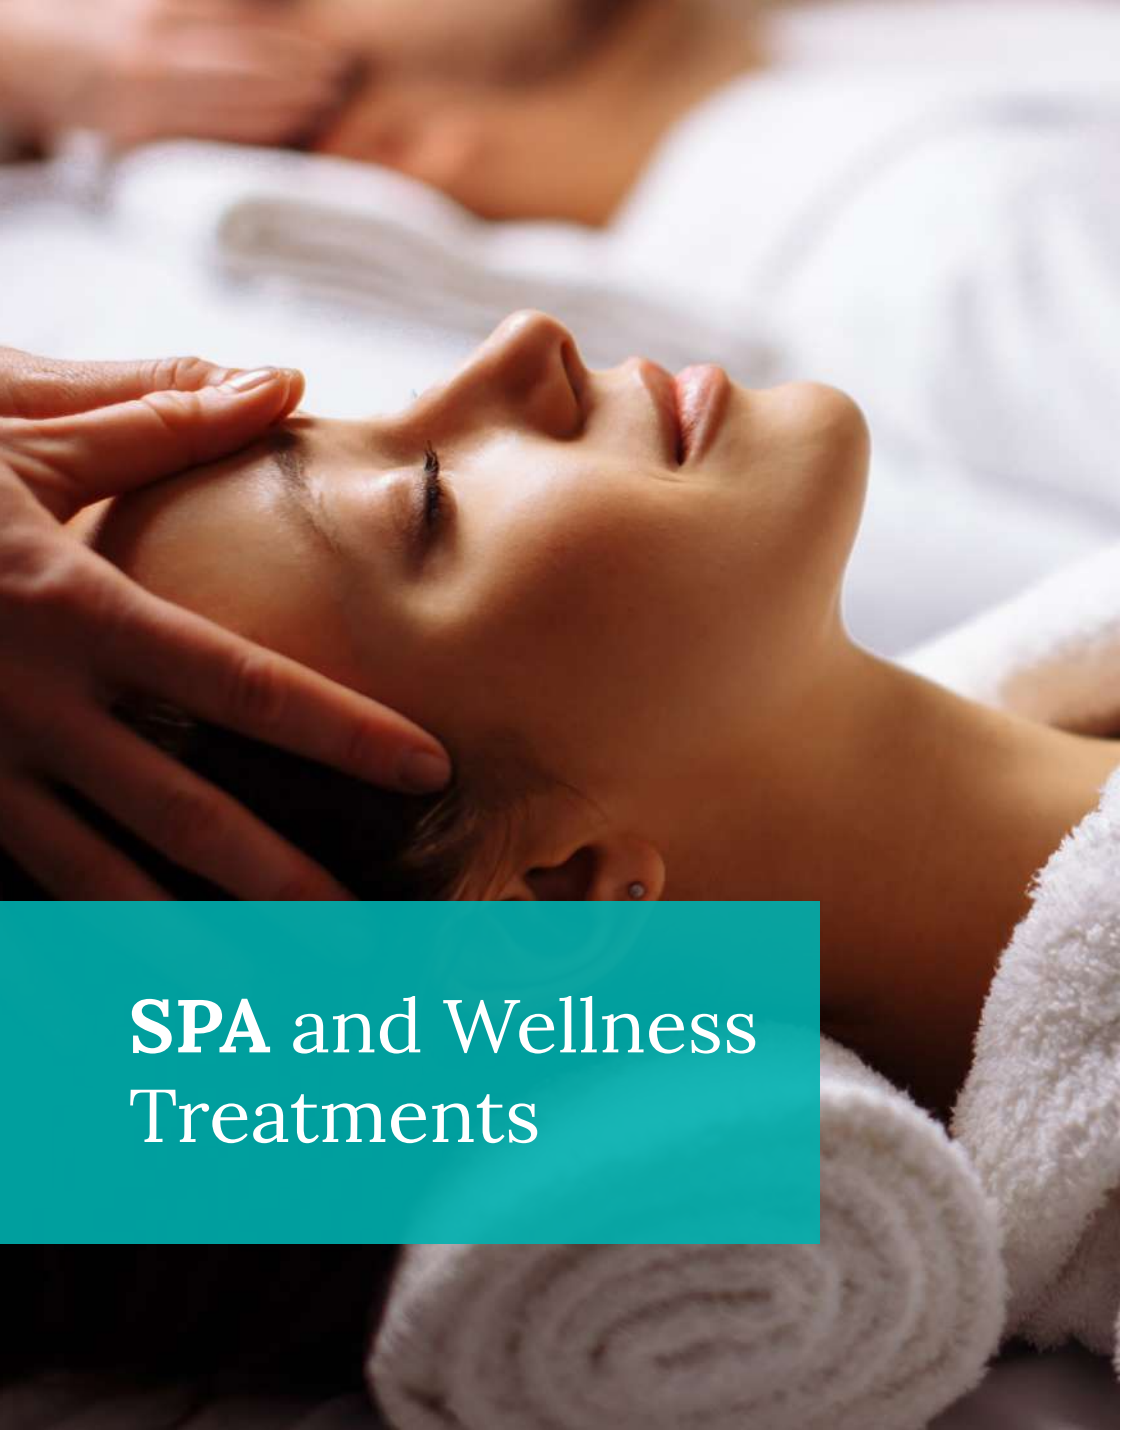

The water world is a complex of pools using water from the thermal well specially treated to comply with all health and hygiene standards.

The Hévíz thermal spring with a temperature of 27°C rises from a depth of 200 m and belongs to the chain of Danube springs which starts at Patince and ends at Margaret Island near Budapest. Patince thermal water has beneficial effects on the locomotor system. Water in our pools has a temperature of 29 to 36°C. The pool world includes the largest indoor pool with water attractions in Slovakia and serves for regeneration and relaxation.

The pool world also includes a resting pool with a temperature of 36°C and a whirlpool with water temperature of 34.5°C. The youngest guests may enjoy a children's pool with a slide (water temperature of 34.5°C). During summer season, an outdoor area is available with 3 resting pools, 2 children's pools and 1 swimming pool with 4 slides.

SAUNA WORLD

The sauna world includes a finnish sauna, swedish sauna, steam sauna,herbal sauna, a cooling pool and a whirlpool with thermal water.To ensure an optimum sauna experience, you can relax in the stylish resting area.

Port
Marina Patince

PATINCE
FAMILY WELLNESS HOTEL & MARINA

PATINCE PORT

The Patince port is situated in beautiful natural scenery. The port provides moorage for the Wellness 1 passenger ship, which is used for sightseeing cruises around Patince and to Štúrovo, Esztergom and Komárno. The port also include a marina for 25-30 yachts. During the high season, the Marina Bar is available for guests just 2 km away from Patince Wellness Hotel****. In the Marina Bar, guests can enjoy a wide range of cold drinks and snacks. Individual guests, schools and corporate groups can use the Patince Port as a starting point for sightseeing cruises. During the cruise, you can see the surrounding nature of the Danube region with remnants of floodplain forests.

Up-to-date information is available on:
www.wellnessline.sk

IDEAL RELAXATION FOR YOU AND YOUR KIDS

The family-friendly Wellness Hotel Patince has all you need for an enjoyable family holiday – cosy accommodation, delicious meals, a pool world with thermal water, beautiful countryside and entertainment. There is a fully equipped play area for children where kids can play in a ball pit. In the outdoor area, there is a sandpit with a slide, swings, a trampoline during the spring and summer months and a bouncy castle during the summer. On bank holidays, during school holidays and for thematic packages, there is an animator present in the play area from 9:00 until 20:00.

Sports activities

PATINCE
FAMILY WELLNESS HOTEL & MARINA

TENNIS

There is an outdoor tennis court with artificial grass approx. 100 m from the hotel. Tennis rackets and balls are available for hire.

TABLE TENNIS

Guests who are not fans of tennis can play table tennis to train their speed and precision. Have fun and challenge your friends or children.

GOLF

We have prepared an interesting sports offer for you in cooperation with Old Lake Gold Club in the Hungarian townof Tata. If you have no golf experience, there is an instructor available in Tata who will be happy to show you the secrets of this elegant sport.

MINIGOLF

Miniature golf is a popular and easy sport for the whole family. It is also an excellent opportunity to compete with friends and family.

GYM

The hotel facilities include a professional modern fitness centre.

CYCLING

The Danube region is a part of the Danube Bike Path and a transit regional path along the Danube river. It is a part of the long-distance cycle route EuroVelo 6 with a length of 3,653 km along several major European rivers. The part along the Danube is known as the Danube Bike Path. In terms of its difficulty, the route is suitable for children and older people. It is also suitable for roller blading, jogging and Nordic walking. If you are looking for active leisure, you can rent a bike, roller blades and Nordic walking poles at the hotel reception.

BEACH VOLLEYBALL

Groups interested in active leisure can play beach volleyball free of charge in the outdoor area near the pools.

WATER BIKES

The lake located near the hotel is ideal for water bikes, which are available for rent at the hotel reception.

FISHING

The area of the Wellness Hotel Patince offers activities for lovers of fishing. There are grand 12+ kg carps, grass carps, silver carps and pikes in the hotel lake.

PETANQUE

The petanque ground is situated in the outdoor area of the Wellness Hotel. Patince

BOWLING AND BILLIARD

The bowling bar offers two bowling alleys and a billiard table. You can also play table football and darts.
